

1. Purpose

These terms govern buyers' use of the Marketplace for procuring goods and services.

2. Buyer Responsibilities

- Verify supplier information before purchase.
- Ensure purchase requests comply with organizational procurement policies.

3. Ordering Process

- Orders submitted through the Marketplace are subject to supplier acceptance.
- Purchase confirmations will be provided electronically.

4. Pricing and Taxes

- Prices displayed are subject to applicable taxes and regulatory charges.
- Buyers are responsible for verifying total costs before purchase.

5. Dispute Resolution

Buyers should first attempt to resolve disputes directly with suppliers. Unresolved disputes may be escalated through Marketplace support channels.

6. Data Protection

Buyer information will be processed according to the Marketplace privacy and security policies.

7. Limitation of Liability

The Marketplace operator is not responsible for the performance of third-party suppliers unless explicitly stated.

8. Account Suspension

Marketplace access may be restricted for misuse, policy violations, or fraudulent activity.
